**DRIVE-IN WORSHIP**

- Please park six feet apart as directed by the parking attendants. Please turn your engines off and stay in your cars.
- Turn your ignition to accessory and tune in to **91.7 FM**.
- You may want to roll your windows partially down. Some prefer to listen from our sound system instead of the radio.
- If you must leave your car for emergency restroom needs, please enter the back door of the Christian Life Center.
- If you choose to give your offering on-site, ushers will be available with baskets as you leave.

**SUNDAY MORNING WORSHIP – NEXT WEEK**

We will begin to worship inside our sanctuary on **May 24**. We will offer two services: **9:00 a.m.** and **10:45 a.m.** This will enable us to stay below the capacity guidelines. The second service will be livestreamed; we will also have overflow seating in the Christian Life Center. Our request is that those of you who are a part of our more "at-risk" population would attend the first service. Thank you for honoring the following requests:

- Please wear masks. If you do not have one, we will have masks available that you may then keep.
- Families should sit together. Ushers will actually seat you. Childcare will not be provided.
- You may enter the front doors of the sanctuary or the doors under the drive-through canopy.
