MARCH STUDIES

We have a busy schedule planned for March, starting with "Cat in the Hat Day" the first week of March. The famous children's author, Dr. Seuss, was born on March 2, 1904. We will honor his legacy by celebrating his birthday and reading many of his books this month. Reading is one of the most important things you can do for and with your children, regardless of their age. Early childhood education has proven that reading aloud to a child is crucial in developing a good reader. It is also one of the most pleasurable times a parent and child can share.

We will continue with our letters and numbers. Below are the weekly Bible stories and Bible verse:

- *The Man Who Was Too Little* Luke 19:1-10
- *The Man Who Couldn't See* Mark 10:46-52
- *The Wind that Obeyed* Matthew 8:23-27
- *Simon and His Boat* Luke 1:5-11

Bible Verse: ***God is Love 1John 4:8***

READING CONTEST

This month we will be having a reading contest called "Spring into Reading." Your child's teacher will post a caterpillar head on their classroom wall. For every book read at home and at school, we add a circle to the caterpillar. We will send home the circles to fill out and send back to school, one for each book read. We will be doing the same here at school. The children get the biggest thrill out of watching the caterpillar grow. To celebrate each child's participation, we will be having ice cream treats for snack time on April 25 and 26.

CONFERENCE DAY

On Monday March 17, we will be having our parent-teacher conferences for our Pre-K students only. We have set this day aside to discuss your child's progress and kindergarten readiness. There will be no school for students that day. The sign-up sheet will be sent home soon, let me or your child's teacher know if you do not receive one.

PICTURE DAY

On Thursday, March 13, and Friday, March 14, Lifetouch will be here to take your child's photo. We will start at 9:30 a.m. Attached to this newsletter is a Picture Day form, please fill it out and return it to me on picture day or before. The form contains important information concerning the ordering process. Prepayment is not required, and you will be able to order photos online.

ENROLLMENT

As of March 1, enrollment for the next school year is open to the public. It will continue until we have filled all the openings and are at capacity. If you would like to enroll your child for the 2025 -2026 school year, please do not wait until late summer to do so; we may be full! If you would like to enroll your child for the summer program, please do so as soon as possible. The \$50 reservation fee and a completed enrollment form are all that is needed to guarantee a spot for your child. Please let me know if you need a form.

In Christ's Love,
Ms. Terri
